

Simon Joel Warkentin

Contact: mail@simonjoel.com | Phone: +351 927564122

Birth Date: 14 - Dec - 1998

Current location: Cork, Ireland
(but willing to relocate and/or work remotely)

Business-savvy professional with a sales background, equally passionate about Linux system administration. Bridging commerce and tech, I leverage diverse expertise to drive growth and innovation.

Work Experiences

Vendor Account Executive

Stripe (Telus International) - Cork, Ireland

March 2023 - Present

Driving Stripe's growth through key partnerships and tailored solutions; consistently surpassing sales targets and strengthening client relationships in the fintech realm.

Volunteer

Tenerife Art Hostel - S.C de Tenerife, Canary Islands, Spain

September 2022 - February 2023

Embraced travel and Spanish immersion by managing reception tasks and upkeep. This enriching experience honed my social skills in a vibrant, transient environment.

Content Moderator

TikTok (Teleperformance) - Lisbon, Portugal

August 2020 - August 2022

Ensured platform integrity by meticulously reviewing and moderating content, upholding community guidelines, and fostering a positive user experience.

Piano Teacher

Musiflex - Curitiba, Brazil

May 2019 - April 2020

Cultivated musical passion and technique in students, tailoring lessons to individual needs and fostering growth in both skill and appreciation. I also played in Bars and Clubs on the weekends.

Driver

Uber - Curitiba, Brazil

April 2018 - May 2019

Drove passengers safely and efficiently to their destinations.

Factory worker

Doehler - Joinville, Brazil

June 2017 - December 2017

My first job, with little expectation or ideas what to do.

Education

Bachelor in Theology

Faculdade Refidim, Joinville, SC, Brazil

(Incomplete) 2016 - 2019

Stripe Fundamentals Certification

Stripe, Ireland

2023

This is a Certification for Sales in the Fintech business

Cybersecurity Fundamentals

The Linux Foundation

2023

Linux Assessment

LinkedIn

2023

Skills

- Linux (both server and desktop)
- Web development (basic html, css, javascript)
